PETITION SAVE PS64

FUNDS ARE IN PLACE | LANDMARKING IS ACCOMPLISHED

Department of Buildings has approved plans for a professionally and securely managed university dorm. Since achieving Landmark status, politicians and local interest groups have taken an obstructionist stance blocking progress resulting in a safety hazard and eyesore for the community. Families in the East Village deserve clean, safe, vital streets.

IT'S TIME TO MOVE FORWARD

Join your neighbors in the East Village to ask our city politicians to allow improvements and progress to happen in our neighborhood.
